Meal Payment: Payment into lunch money accounts must be made online. As a school, we are currently working towards becoming completely cashless, so please make every effort to credit your child's account each week. This will save time in queues and give them more time to enjoy the dining experience.

Our Commitment to Food Allergens: We ensure our teams are kept up-to-date with the knowledge to cater for different requirements but encourage our customers to talk to us so we can work together to provide meals that are safe and nutritious for them to eat.

If you would like to meet with Aspens to discuss any dietary requirements, please email Philip Hillman, Catering Manager loreto.college@aspens-services.com where we will be happy to discuss our food offer and menus with you.
