

Uniform Checker

We expect all pupils to wear the correct footwear. We appreciate that buying shoes can be confusing, as there are many products which look like shoes when in fact they aren't. We have already provided the following written guidance in our uniform policy, and here we offer some additional picture guidance.

**Plain black school shoes in a sensible style, with heels no higher than 3cm.
No trainers of any type or fabric/canvas shoes. No boots are allowed.**
