

Loreto College has allocated the COVID-19 Catch Up Premium for 2020/21 under the three areas: Teaching, Targeted Strategies and Wider Strategies. We recognise our responsibility to use this funding wisely to enable and support our students as they catch-up on missed schooling.

Academic Year	Number of Students	Allocated Fund
2020-21	939	£62,880

**Teaching – Total £15,700**

Description	Anticipated Impact	Estimated Cost
Staff development in blended learning – use of Microsoft Teams to deliver.  Staff lead appointed, training and ongoing support to colleagues.	Staff will be able to deliver high quality engaging lessons, either blended or remotely throughout the academic year.	£4,500
Hardware support – webcams, headphones, wacoms, visualisers.	Webcams, headphones, wacoms and visualisers, the latter particularly supporting technical and scientific subjects.	£3,450
Additional resources purchased in Mathematics, French and RE.	Departments who have previously shared certain resources will be able to provide Covid safe resources to all students.	£7,000
Art and Technology packs prepared and sent home in the second term to KS3 students.	Students will be enabled to continue practical activities regardless of their personal circumstances.	£750

## Targeted Support – Total £32,900

Description	Anticipated Impact	Estimated Cost
Student laptops for use at home in addition to those supplied by the DfE.	Students identified as having limited access to technology will be enabled to access their learning.	£9,500
Additional Teaching Assistant hours to support individual students.	Our most vulnerable students will be able to access skilled intervention in their learning, both in school and remotely.	£22,000
Encouragement of reading through an online library.	Students will be able to access over 1,000 age and ability appropriate books, both in school and remotely.	£1,400

## Wider Strategies – Total £14,450

Description	Anticipated Impact	Estimated Cost
Parental engagement enabled through online booking system for meetings.	Parents will be able to engage with the teachers in a meaningful way to ensure that the positive staff/parent relationships that are critical to ensuring progress will be maintained even in a full lockdown.	£750
Support for students' mental health: <ul style="list-style-type: none"> <li>• Mental health lead appointed.</li> <li>• Counselling hours increased.</li> <li>• Training for pastoral staff in, for example, suicide awareness.</li> </ul>	Students will be supported to cope with the increased mental health challenges arising from the pandemic.	£6,000 £2,000
Provision of activity days across several curriculum areas, for example theatre in school, history day, forensics day.	To ensure that the richness of the normal curriculum is not lost in this academic year.	£5,700
